Hello,

We hit a small bump in the project today, as both our HOPE HET Members who have a long history providing services at this location were out sick. We were able to send a nearby team to cover this, but since they don't have any previous relationship with anyone staying there, I don't think we saw the level of buy-in today that we'll get in future weeks.

Venice / Globe

1. Bags handed out: 10
2. Bags picked up: TBD
3. Comments/Issues: The team spoke with everyone who was under the freeway this afternoon. Several

individuals were very appreciative of this service. They each received bags, and were told that they'd be picked up tomorrow at 10:30am on the northwest corner Venice and Tuller (just east of the overpass). Several others were not interested in participating this week. The regular team will follow-up with them next week to increase buy-in. No bags were left at unattended tents today.

Thank you LASAN for the trash bags.

Sherise and Garrick- Please pick up trash bags here at the UHRC. As mention, when distributing trash bags to individuals in the Venice and Global please track the number of trash bags given.

Inform those living in the encampment that trash will be collected on Friday's at approximately 10:30am.

See on map where LASAN will pick up trash. Inform individuals to leave trash in that area.  
(Corner of Tuller Ave and Venice Blvd)

Thank you.

Subject: Pilot Program at Venice and Globe

Good afternoon all,

LASAN will be piloting a program at the Venice and Globe location. Our WLA district will be providing service to the location.

- \* WPD will be delivering LASAN trash bags (2 boxes of 50) to the UHRC today (2/13/19).
- \* LAHSA outreach will collect bags from the UHRC tomorrow morning (2/14/19) and pass out to clients at Venice and Globe (LAHSA will provide the UHRC of the number of bags distributed).
- \* LAHSA will notify clients that LASAN vehicle will be at the designated location (map attached) to collect rubbish at 10:30 am on Friday (2/15/19).
- \* LASAN driver will take a photo of the collection site upon arrival, after collected and get a count of bags collected.
- \* UHRC will track number of bags distributed versus number of bags collected weekly and monitor waste on curbside by encampment.

Thank you to all parties assisting with this clean up effort. Please contact me if you have any questions or concerns.

Respectfully,

DANIE MALDONADO  
CITY OF LOS ANGELES  
LASAN and Environment  
UHRC Representative
